

# Blessed Be The Name Of The Lord

By David J. Stewart | January 2013

***Job 1:21, “And said, Naked came I out of my mother's womb, and naked shall I return thither: the LORD gave, and the LORD hath taken away; blessed be the name of the LORD.”***

God is holy! There's not a more Godless, hateful and evil place in this world than Hollywood, who through their vile movies have inspired a nation to curse in God's name, blaspheming His holy name as part of America's new morality evil culture. It is common for actors to use the names of "Christ" and "Jesus" as curse words. Some exclaim, Jesus f\*\*\*\*\* Christ" and "God d\*\*\*\*\*!" Literally, Hollywood has trained American culture to talk this way, as if it's expected to be in the "hip crowd." May I say, I wouldn't want to be excepted by any person or group who requires me to curse my God and Savior in order to meet their approval. It is a horrible sin to take the Lord's name in vain, that is, used in a meaningless, insulting, empty or hurtful manner. Some Jews hypocritically spell God as "G\_d," claiming to revere Him, while simultaneously blaspheming and rejecting Jesus as the Christ in their hellish Judaism religion.

If a person were to shout their neighbor's name in anger when they became angry, that neighbor would think that person HATES them, understandably. Likewise, when people shout the name of the Lord in disbelief, frustration or anger, they are expressing their inner contempt and hatred for God their Creator. ***Deuteronomy 5:11, “Thou shalt not take the name of the LORD thy God in vain: for the LORD will not hold him guiltless that taketh his name in vain.”*** Every time that a person takes the Lord's name in vain, they are heaping up judgment in eternity.

***Psalms 113:2, “Blessed be the name of the LORD from this time forth and for evermore.***

I've noticed that there are two types of people who curse in God's name: 1) Those who curse only when they are angry or frustrated; 2) Those who do it casually because it's a part of their daily vocabulary. The actors in Hollywood movies are getting PAID millions of dollars per movie to read a script. They are paid millions of dollars to blaspheme the holy name of God and His only begotten Son Jesus Christ. They are not cursing because they are angry; but rather, because they are getting paid. The Bible teaches that God will hold a person guilty regardless of why they took the Lord's name in vain (Deuteronomy 5:11).

Albeit, I cannot help but believe that those people who casually, or for money to make a film, deliberately curse in God's name, will be held more accountable by God. I can imagine that Noah and his sons hit their thumbs with a hammer on

occasion while building the ark for 120-years. I'm sure Noah shouted out some choice words. We don't know for certain. But that's very different than a person who just curses because they have CHOSEN to dishonor the Lord. Cursing when one is angry is a bad sin, but cursing deliberately is planned evil.

***Daniel 2:20, "Daniel answered and said, Blessed be the name of God for ever and ever: for wisdom and might are his."***

I have worked with people in the secular workplace who cursed in God's name just to fit in with the group. Gladly, I've never participated with them. I've had people curse in God's name in an attempt to offend me, and I would avoid that person if possible in the future. Asking someone kindly not to curse in my Savior's name doesn't usually work. The unsaved these days are bold, hardened in their evil pride and wickedness. I've never seen so much hatred against Bible-believing and Christ-loving Christians. If you are real, the Devil's crowd is going to devour you if they can. 1st Peter 5:8 says that the Devil roams about as a roaring lion seeking whom to devour. Do you think his servants aren't the same rotten way? Of course they are. If you are a Christian, the whole world is waiting for you to fall. The world will test you, hoping to ensnare you. They did the same evils to Jesus all the time, trying to discredit Him.

The wicked receive the wicked. You'll never find homosexuals speaking out against abortion. Nor will you find abortionists speaking out against immorality in society. The wicked are all in the same sinking boat. Everything produced by Hollywood is becoming increasingly hostile against the Lord Jesus Christ. It's not surprising when you understand that Talmud worshipping Jews own Hollywood. The Talmud blasphemes the Lord horribly! Hollywood Jews curse the Lord deliberately in all their movie scripts, attacking the Lord shamelessly and shamefully. The Bible warns that God will not hold them guiltless that taketh His name in vain.

BLESSED BY THE NAME OF THE LORD JESUS CHRIST!
